

WEEE Company Policy

We SHINANO KENSHI will confirm as follows in order to live up to the WEEE directive 2002/96/EC;

- We will comply with the WEEE product labelling obligation, all products delivered latest as of August 13, 2005 will contain the appropriate label (crossed out wheelee bin standard logo).
 - We will provide you with all the necessary data regarding the respective products (i. e. net weight, product information for adequate disposal) in due time.
 - It is the responsibility of our distributors who will act as 'producer'¹ to fulfil the WEEE directive obligations:
 - register with each EU nation's governmental registers
 - report quantities (by net weight) of products placed on the markets an quantities taken back
 - at least finance take back, recycling, and treatment of WEEE
 - provide guarantees for financing these obligations to local authorities
 - come up to specific requirements of the National laws
 - SHINANO KENSHI will be hold free of all internal and external costs and charges in all cases where the distributor acts as a 'producer' for our products according to the local WEEE legislation.
- All costs and charges should be included in the distributor's local pricing of our products.
